

**NO SHOTS!**

**NO DRILLING!**

**NO ADHESIVES!**

**YOU CAN EVEN EAT WITH IT!**

After your consultation, your dentist will take an upper and lower impression. Then, you and your dentist choose the preferred shape and shade. Lastly, your case is sent to Snap-On Smile Creations for fabrication and within 7-10 days, your beautiful smile is ready to wear.

## **SNAPS FIRMLY INTO PLACE!**

Snap-On Smile™ covers up teeth that are crooked, worn, cracked, chipped, discolored or missing.

## **BEFORE**

Edgar "El Chamaco" Santana, Junior Welterweight sensation, suffers from Bruxism, the habit of clenching and grinding of the teeth.

## **AFTER**

Edgar with his knockout Snap-On Smile™

If stains, chips, missing teeth or other imperfections have you hiding your smile, talk with your dentist about how Snap-On Smile™ can provide the beautiful smile you have always longed for. You and your dentist can design the perfect smile for your needs and enhance your facial appearance in only two visits!

## **WHAT IS SNAP-ON SMILE™?**

A thin, specialized resin material is fabricated to snap over your actual teeth and can be removed like any dental appliance.

Snap-On Smile™ can be made as thin as .5mm without compromising strength. Its simple patented design allows you to eat without any impingement into the gums. What's more, you can choose from 23 color shades and 18 smile designs!

## **LOOKING FOR A CELEBRITY SMILE BUT DON'T HAVE THE RED CARPET BUDGET?**

Snap-On-Smile™ is the affordable cosmetic alternative to permanent dental work — priced at a fraction of the cost of a full set of porcelain veneers or crowns.

Snap-On-Smile™ provides a viable restorative option for all patients — particularly those who are dental phobic, financially challenged, or medically compromised. You can even use one to preview extensive dental treatment.
